

## Directions for Printing Marketing Resources

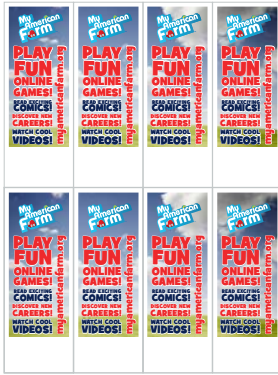

### Poster

The marketing poster is designed for print on 11 x 17" paper.

Simply download the attached PDF and print locally or send to a printer for large quantities.

You can personalize this poster by adding your contact information in the white space found in the bar along the bottom. Adobe Acrobat Professional or other editing tools can be used to add your personal information.

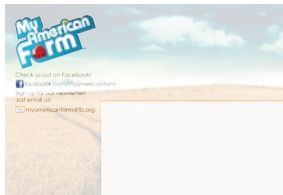

### Bookmarks

Bookmarks were designed for print on 8-1/2 x 11" paper.

Simply download the attached PDF and print locally or send to a printer for large quantities.

You can personalize these bookmarks by adding your contact information in the white space found along the bottom of each bookmark. Adobe Acrobat Professional or other editing tools can be used to add your personal information.

### Postcard

The postcard was designed for print on 4 x 6" cardstock.

Simply download the attached PDF and print locally or send to a printer for large quantities. If you do not have a printer, [www.printplace.com](http://www.printplace.com) is a great online print service. You can print 1,000 postcards for approximately \$100!

You can personalize these bookmarks by adding mail to and return addresses to the front of the card.
